

Emergency Management & Wildfire Management Update

Harold Williams has been appointed as the Director of Emergency Management for the Summer Village. Harold has worked closely with our fire services provider over the past few months to help the Summer Village complete its Emergency Management planning documents and to ensure their relevance and accuracy. The Summer Village's Fire Services has inspected our municipal buildings for compliance within the provisions of the new Emergency Management planning document. There has also been a formal agreement with our Summer Village neighbours for Disaster and Emergency Management planning. We will continue to provide updates as they happen.

Emergency Preparedness Kits

No one knows for sure when disaster will strike, but we can all be prepared. Create your own 72-hour emergency kit, and you will have the necessary items to help you and your family until emergency responders can reach you. For some good ideas on what would be beneficial in a family emergency preparedness kits please check out the following website: <http://www.aema.alberta.ca/72-hour-emergency-kit>

Boat Launch Update

The boat launch will be extended by approximately 6.4 meters. This construction will take place in the Summer of 2017. We appreciate your patience as we work with the various government departments to get the boat launch in better working order.

Tax Accounts Due – December 31st, 2016

A reminder that outstanding tax accounts are due on December 31st, 2016. An 18% penalty will apply to all arrears on January 1st, 2017.

To keep your Christmas trees healthy throughout the Christmas season, remember to keep them watered. To keep your electricity bills down, remember to fix any burnt out bulbs and turn off the lights when not in use!
